Subject: RE: Mission Assignment Language for HQ EOC
Importance: High

Thanks Josh. I have forwarded this info to Steve Mason in order to make any adjustments needed in our DR MA. Please have the HQ EOC FSC contact the R6 REOC FSC, Jacob Nichols, and figure out cost to date so we can adjust our current burn rate and future MA cost. Sorry for the short notice, but this needs to happen today and we must submit estimated future costs to FEMA tomorrow morning.

Subject: Mission Assignment Language for HQ EOC

Good morning Craig – Attached are the R2 mission assignments where they have successfully added HQ EOC work. The first attachment is for Irma, the other two are from Superstorm Sandy.

Thanks -

Joshua Woodyard | Associate Director
